Profile

I am Professor of Urban Analytics at the Bartlett Centre for Advanced Spatial Analysis (CASA), University College London. My research uses data and quantitative methods — frequently in R — to understand cities, migration, housing and the systems people create. I publish across migration modelling (particularly spatial interaction models), housing and energy, gentrification, synthetic data and the geographies of beer and brewing, and have a passion for applied work in urban policy contexts.

Professional History

Professor of Urban Analytics
Bartlett Centre for Advanced Spatial Analysis, UCL — *2021–Present*

Head of Department and Director
Bartlett Centre for Advanced Spatial Analysis, UCL — *2018–2023*

Associate Professor, Urban Analytics
Bartlett Centre for Advanced Spatial Analysis, UCL — *2017–2021*

Deputy Director
Bartlett Centre for Advanced Spatial Analysis, UCL — *2016–2018*

Lecturer in Urban Analytics
Bartlett Centre for Advanced Spatial Analysis, UCL — *2013–2017*

Post-doctoral Research Associate
Bartlett Centre for Advanced Spatial Analysis, UCL — *2010–2013*

Research Assistant and part-time PhD student
School of Geography, University of Leeds — *2006–2010*

Teacher of Geography and Head of General Studies
Hedingham School, Essex — *2002–2005*

Education

PhD in Quantitative Human Geography
School of Geography, University of Leeds — *2007–2011*

- Studied part-time

MA in Human Geography with Geographic Information Systems
School of Geography, University of Leeds — *2005–2006*

- Pass with Distinction

Qualified Teacher Status (QTS)
National College of Teaching and Leadership, DfE — *2003–2003*

PGCE in Secondary Geography
Faculty of Education (Homerton College), University of Cambridge — *2001–2002*

BSc (Hons) Geography
Lancaster University — *1998–2001*

Appointments and Affiliations

Member, ESRC Peer Review College
ESRC — *2024–Present*

External Examiner, MSc Geographical Information Science
University of Manchester — *2023–Present*

Editor-in-Chief, Applied Spatial Analysis and Policy (Impact Factor 1.9)
Springer — *2017–2023*

Fellow of the Academy of Social Sciences (FAcSS) — Elected
Academy of Social Sciences — *2021–Present*

Fellow of the Royal Geographical Society (FRGS)
Royal Geographical Society — *2010–Present*

Prizes, Awards and Honours

Best Paper, 33rd Annual GIS Research UK (GISRUK) Conference
University of Bristol — *2025*

Elected Fellow of the Academy of Social Sciences (FAcSS)
Academy of Social Sciences — *2021*

Cabinet Office Geospatial Commission, Geography in Government Award — Excellence in Local Government
Awarded with City of Westminster Council for pioneering Urban Lab work — *2020*

Best Paper, 27th Annual GIS Research UK (GISRUK) Conference (Colouring London Project)
University of Newcastle — *2019*

UCLU Student Choice Teaching Award for Outstanding Teaching
University College London — *2016*

Grebenik Prize — best work on any aspect of human population problems
University of Leeds — *2006*

Grants

External grants total awarded as PI or Co-I since 2012: **£17,491,621.90**.

Census Innovation at CeLSIUS (ES/Z502741/1)
Co-I; active — *2024*
- £384,576

TRACK-UK: Synthesized Census and Small Area Statistics for Transport and Energy (ES/Z50290X/1)
Co-I; active — *2024*
- £327,680

AI for Collective Intelligence (AI4CI) — UKRI AI Research Hub for Real Data (EP/Y028392/1)
Co-I; Local PI for UCL branch; active — *2024*
- £10,274,279 (UCL portion £980,391.77)

Pathways to socially equitable net-zero cities and regions — ESRC CASE PhD Studentship
PI/Supervisor (Transport East partner); active — *2023*
- £93,633.90

Equity Assessment of Demand-side Flexibility Technologies in Grid Integrated Transport Electrification (PhD)

PI/Supervisor (EPSRC CREDS); active *2023*

- £96,044

Generative scenarios for getting Transport to an equitable Net Zero - flipping modelling on its head using Machine Learning (2868504)

active *2023*

- EPSRC

NARRATE

PI; complete *2022*

- £142,739.24 (Ordnance Survey)

dunnhumby PhD Studentship

PI/Supervisor (industry-funded); complete *2020*

- £60,000 (dunnhumby)

CeLSIUS (ES/V003488/1)

Co-I; active *2020*

- £2,160,348.40 (ESRC)

YOUR.VU.CITY (UKRI 105325)

Local PI (Co-I on whole project); complete *2019*

- £620,697 (UCL £159,996; Innovate UK)

CeLSIUS Re-commissioning (ES/R00823X/1)

Co-I; complete *2018*

- £1,020,753 (ESRC)

Colouring London Impact Acceleration Grant

PI; complete *2018*

- £55,200 (EPSRC)

CeLSIUS Extension Grant

Co-I; complete *2016*

- £247,182.40 (ESRC)

Colouring London

PI (with Co-PI Polly Hudson); complete *2016*

- £58,400.74 (Historic England)

Understanding London's Resident Metabolism (1827316)

complete *2016*

- EPSRC

RGS Innovative Teaching Grant

PI (Co-I Paul Turner, Bedales School); complete *2014*

- £1,000 (RGS)

SYLLS — Synthetic data estimation for the UK Longitudinal Studies

PI; complete *2013*

- £272,652.73 (ESRC)

CeLSIUS (ES/K000365/1)

Co-I; complete *2012*

- £1,676,436 (ESRC)

UK DATA SERVICE-CENSUS SUPPORT SERVICE (UKDS-CSS) (ES/J02337X/1)

complete *2012*

- £2,011,044 (ESRC)

Invited Talks (recent)

Department of Real Estate and Planning, Henley Business School, University of Reading
Can we model our way out of this? — Putting the AI in Applled Urban Modelling. AI, collective intelligence, and the Brighton & Hove school system — *18 Nov 2026 (upcoming)*

Geospatial Data Science Seminar, University of Glasgow
Can we model our way out of this? — Putting the AI in Applled Urban Modelling. AI, collective intelligence, and the Brighton & Hove school system — *13 Nov 2026 (upcoming)*

Brighton AI (meetup)
Can we model our way out of this? — Putting the AI in Applled Urban Modelling. AI, collective intelligence, and the Brighton & Hove school system — *4 Nov 2026 (upcoming)*

BHASVIC (Brighton & Hove Sixth Form College)
How to Pull the Right Lever — *July 2026*

UCL Development Planning Unit — talk to Latin American city leaders
Smart Cities and Collective Intelligence — *Sept 2025*

Royal Geographical Society Annual Conference
GIS vs The City Council: Data Analytics, Collective Intelligence and Policy Dust-ups (GISRUK 2025 Best Paper) — *Aug 2025*

Brighton Data Forum (public lecture)
The Case of the Brighton Secondary School Admissions Consultation — *March 2025*

Institute for Spatial Data Science, University of Leeds (departmental seminar)
Data Analytics and the Brighton Secondary School Admissions debate — *Feb 2025*

Parent Support Group, Brighton (online public lecture)
Data and evidence missing from the B&H Secondary School Admissions Consultation — *Jan 2025*

Alan Turing Institute / University of Glasgow
Early career researcher panel, Urban Analytics meeting — *Dec 2024*

Aalto University, Finland
Housing and Net-Zero — *Sept 2024*

Geographic Data Science Lab, University of Liverpool (departmental seminar)
Evidence against the effects of schools on local house prices in Brighton and Hove — *Feb 2024*

Carto Spatial Data Science Bootcamp, London (invited back)
Foundations of Geospatial — *Nov 2023*

Carto annual conference, Royal Geographical Society, London
Careers panel — *May 2023*

Carto Spatial Data Science Bootcamp, London
Foundations of Geospatial — *Feb 2023*

PhD Supervision

Current research students

1st supervisor
Maria Wood — Equity assessment of demand-side flexibility technologies in transportation decarbonisation (with Esra Suel, Gerry Casey). Upgrade passed. — *2023*

1st supervisor
Claude Lynch — Pathways to Socially Equitable Net Zero Cities and Regions (with Esra Suel, Gerry Casey). Upgrade passed. — *2023*

1st supervisor
Tom Murat — Generative scenarios for getting Transport to an equitable Net Zero (with Esra Suel, Gerry Casey). — *2023*

1st supervisor

Denise Mizzi (PT) — Small Area Estimation of Wheezing prevalence in Maltese School Children (with Jens Kandt, Nicola Shelton). Upgrade passed. *2018*

2nd supervisor

Roei Yosifof — Application of novel AI methods in the Digital Urban Planning domain. AI4CI Linked PhD. *2025*

2nd supervisor

AI4CI Linked PhD (Glasgow half of Cities Theme) — candidate appointed. *2025*

2nd supervisor

Chiara Gericke — Role of the Neighbourhood Food Environment in Susceptibility to Obesity (1st sup. Claire Llewellyn, Institute of Epidemiology and Health Care). *2023*

Completed

1st supervisor

Philip Wilkinson — Applications of novel retail modelling methodologies in an evolving grocery sector (2nd sup. Neave O'Clery). Minor corrections. *2020 – 2023*

1st supervisor

Bonnie Buyuklieva — Understanding London's Residential Metabolism (2nd sup. Hannah Fry). Minor corrections. *2016 – 2022*

1st supervisor

Bin Chi — Spatial and temporal patterns of residential house prices and affordability in the UK (2nd sup. Thomas Oléron Evans). Passed without corrections. *2016 – 2021*

1st supervisor

Matthew Ng — The future of Brunei: changes in Brunei-Muara's urban and population landscapes (2nd sup. Elsa Arcaute). Minor corrections. *2016 – 2020*

2nd supervisor

Yufeng Wu — Dynamics of return migration intention and behaviour in China (1st sup. Rory Coulter). *2019 – 2024*

2nd supervisor

Lixun Liu — Impacts of rail transit investment on development in Chongqing (1st sup. Robin Hickman). Minor corrections. *2015 – 2016*

MSc / MRes

Supervised 45+ dissertations between 2017–2025. Joshua Yee (2019) won the RGS-IBG Population Geography Research Group postgraduate dissertation prize.

Research Staff Line Management

Dr Beatrice Taylor; Adham Enaya; Dr Yahya Gamal (Glasgow — oversight)

AI for Collective Intelligence National Research Hub *2024-Present*

Dr Bonnie Buyuklieva (now Lecturer in Digital Humanities, UCL)

NARRATE — Ordnance Survey Housing Net Zero R&D Project *2022-2023*

Dr Martin de Jode (now Lecturer in CASA); Maciej Ziarkowski; Dominic Humphrey (now UCL Energy Institute)
